

NSDCAR

North San Diego County Association of REALTORS®  
Presents

**August 16, 2010**  
**9:30am—12:30pm**

**Chris Tellez, Manager of the technology training programs at the California Association of REALTORS® will teach you how to:**

**Create an account:**

- Determine what information should or should not be posted
- Build your profile with useful information that helps you get found

**Upload a video to your YouTube account:**

- Set titles and tags that help your video get found
- Change the audio on the video to use YouTube's free music library
- Add titles and text information to your video using YouTube's annotation feature

**Location: 906 Sycamore Ave., Vista, CA**

**Fee: \$65 NSDCAR Members: Register by August 12**

**Register: [www.nsdcar.com](http://www.nsdcar.com), under education or call 760-734-3971**

**REQUIREMENTS**

Students should be well versed in using a web browser and have significant experience typing on a computer & uploading photos to a website. **Students MUST HAVE:** An e-mail account (Gmail, AOL, Hotmail, Yahoo, etc.) they can access using a web browser in the class. Note: Students will be supplied with a sample video to use during the course.
