

**North San Diego County Association of REALTORS®
Presents**

Transform Your Business Utilizing a Mac and iPhone

Thursday, August 19, 2010

9:00 am – 10:00 am

A Mac can make it easier to run your real estate business. At this presentation, learn how to better market your business using iLife to share photos, create movies, publish a website and much more. Also, understand how iWork can help you streamline your communication and productivity creating flyers, spreadsheets and presentations. Other items covered include:

- Mobile technology; iPhone, iPad, iPod touch, etc...
- Using Sandicor
- Running Windows on a Mac
- Compatibility

Location: Apple Store - Westfield North County Shopping Mall, 272 East Via Rancho Parkway, Escondido, CA 92025; **Directions:** <http://westfield.com/northcounty/gettinghere/>

Instructor: Reagan Clark, Business Manager of Apple Store, North County
