Monday, June 11 - FUSION™ & New Realist Tax Computer LAB

9:00 am - 4:30pm (1-2pm, hour lunch break on your own)

Computers are provided in our lab. Lab is for NSDCAR MLS members only.

PREREQUISITES FOR THESE LABS: Attendees must have attended the live FUSION™ lectures or viewed the webinars found on Sandicor's website. Please bring your agent MLS number and passwords when attending the LAB.

This hands-on computer will teach you how to use the FUSION™ integrated criteria/map searching and reports, as well as to experience features that are unique to the FUSION™ software. You will also receive hands-on experience using the new Realist Tax software with its enhanced MLS integration and extensive new graphs. In the new Realist Tax you'll learn to map locations and see what is nearby, create pinpoint mailing lists for targeted marketing and apply Realist comparables to support pricing and sales decisions.
