

AGENT UPDATE FORM

We track many ways to get in touch with you. Please supply us with the best way. We will now be able to include each agent's **PERSONAL** Fax number, Additional Phone # and E-mail address. The AGP#, Fax#, and Additional Phone # will be included when a full listing is displayed or printed in the MLS. As technology and agreements can be reached, when the listing hits the Internet, E-mail addresses will be able to be hyperlinked back to each agent.
