

**RELAY™**  
**Transaction Management**  
is NSDCAR's newest Member Benefit

RELAY™ is the online transaction management system that helps brokers, salespersons and teams streamline the way they do business. *Your 2008 NSDCAR dues includes RELAY™ as a member benefit -- a \$149.00 value!* Here are just some of the ways it helps NSDCAR members provide their clients with *superior service!*

**Easy coordination** – Synchronize with WINFormsOnline® and the new WIN FormsOnline® Plus with just one click!

**Document storage and approval** – Approval tools allow brokers and managers to review, approve, and store files from any Internet connection. Attach PDF's, JPG's, TIF's and Word documents.

**Custom reports** – Easily customize reports to fit business needs, download to Excel or export to other programs. Download reports tracking key transaction information, buyer and seller satisfaction, and other important information.

**MLS Import** – Start online files quickly with information imported directly from the MLS. Add property pictures, address, and key information quickly and easily with just a few clicks.

**Free fax service** – You'll be able to fax up to 1,000 pages a year -- free of charge!

**Easy to learn and use** – Onsite training on how to use RELAY™ is included, along with weekly Webinar training at no cost. And, there's no software to install or hardware to purchase with RELAY™ -- just an Internet connection. Using NSDCAR's RELAY™ Connect to the most popular software for office and financial management Each agent subscription provides unlimited transaction use. Import and export contact information to tools such as MS Outlook®.

RELAY™ is the latest step we're taking to make seamless electronic transactions a reality for NSDCAR members!
