

ShowingTime is available now to all PSAR and NSDCAR Paragon users through CRMLS – at no additional cost.

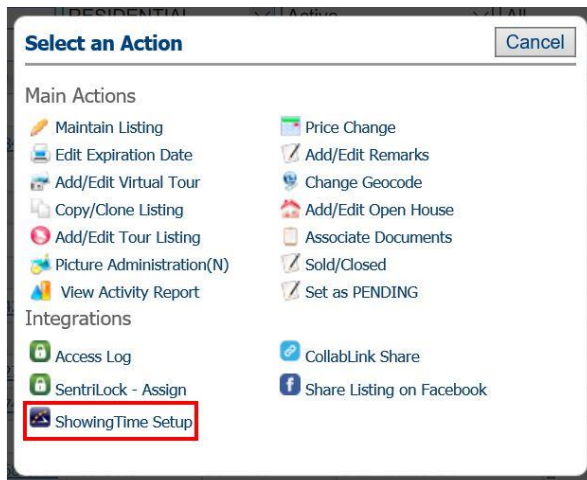

How do I get ShowingTime?

There are **four** ShowingTime integrations in Paragon:

1. Via Preferences > ShowingTime Setup:

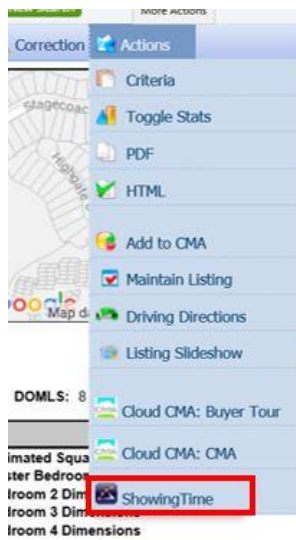

2. Under Listing Input and Maintenance:

3. Via the Action Icon on Spreadsheet and Report Views:

4. Via the Action Icon from the Actions Menu on Results:

Want to learn how to get started? Visit <https://go.cmls.org/showingtime/> for more.

Happy Scheduling!
